DETAILED ACTION

1. Claims 1-57 are allowed in response to amendment filed on 2/27/07.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: The closest prior art of record discloses generating escrow key for sender when the recipient's public key is not present. However, the prior art of record does not explicitly disclose generating an escrow key for encrypting the document if the means for searching does not return a public key for the recipient; encrypt the document using the generated escrow encryption key, and storing the escrow key encrypted document until a new public encryption key is assigned to the recipient; assigning new public and private key for the recipient; unencrypting the document using an escrow decryption key; and re-encrypting the document using the recipient's encryption key prior to sending the document to the recipient in light of other features disclosed in independent claims 1, 29, and 45.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
